DEC also received the attached resolution from the Town of Tonawanda to have the property remediated under a BCP.

FYI – Tonight at 6:00 p.m., Channel 4 (WIVB) is running the story from Dan Telvock about having the TCC site be remediated under the federal superfund program. According to the preview stories, he will play an on camera interview with Judith Enck – she said saying a BCP as comprehensive as a superfund cleanup is widely irresponsible.
